.....

Hi Kathleen, Joel, Matt and Mark. Hope you all had a nice weekend. Matt, as per your last Friday's voice message request, attached please find the most recent submittal of the ambient Lead monitoring data measurements that Exide collects around their Vernon facility that I just received from Exide this morning. The data covers the period from December 2009 through June 17, 2014. Also as I indicated to you in my earlier message, in your voice message you had also asked for Exide's monthly reports for Rule 1420.1, however, Rule 1420.1 does not require submittal of monthly reports by Exide. Therefore, there are not such documents to provide to EPA.

Please let me know if there are other documents that EPA is interested in for preparation of your NOV conference call with Exide, scheduled for June 30, 2014. Thanks.
